

REBUILDING HAITI TOGETHER- UPDATE NOTICE

January 23, 2016

Dear Brethren of the Body of Christ,

In an effort to solidify plans for our upcoming March trip, we have been working hard to identify dates that offer affordable airline tickets and accommodates workers schedules. The challenge in March is working around Spring Break and Easter when airfare is extremely high. We have been able to identify some very reasonable tickets and we would like to communicate this to you. Thank you for your patience as we work through the logistics for these trips.

We have copied all the contact information for each of the brothers who are overseeing the various disciplines of work and would like to encourage to everyone to please communicate with Bro. Ken Jacobe before they make travel arrangements to make sure their flights are coordinated with everybody.

All of our current trip arrangements are listed below, please feel free to call if you have any questions. Please refer to our previous newsletter regarding trip details and travel requirements.

In His Love,
