Subject: Haiti Airline Tickets and Upcoming Trips

Greetings Brethren,

We would like to reach out to everyone today to see if there is anybody who has not communicated with us already but would like to attend one of the upcoming trips. We are currently trying to determine what can be accomplished in the upcoming trips and need a feel of who might be attending. Secondly, we are in the process of reserving airline tickets to ensure that we get the best fares available so we will need your information as soon as possible. The following is a list of the proposed trips and what we hope to accomplish during the listed weeks. This may change some due to availability of personnel, but it will give you an idea of what we are thinking about:

- | | |
|---|--|
| July 18th – 22nd | Paint trip- spray paint structural beams, purlins and girts. |
| Aug 2nd – 9th | Finish roof sheet installation and complete all exterior metal building trim. |
| Aug 9th – 16th | Construct metal stud walls on main floor and mezzanine; hang sheetrock on one side. |
| Aug 16th – 23rd | Continue with sheetrock, electrical rough-in and mud and tape. |

Please call or send an email if you plan on attending. As always, feel free to visit our website to see all previously posted newsletters and updates at rbht.org.

Sincerely,

A handwritten signature in blue ink that reads 'Derek Watson'.
